

## **RULES AND REGULATIONS OF NON-EU MEDTEC SCHOOL SCHOLARSHIPS FOR THE 2023-2024 ACADEMIC YEAR**

REGULATION FOR THE AWARD OF TWO (2) SCHOLARSHIPS FUNDED BY HUMANITAS UNIVERSITY. SCHOLARSHIPS ARE RESERVED FOR NON-EUROPEAN CITIZENS WHO APPLY FOR THE FIRST YEAR OF THE SINGLE CYCLE DEGREE COURSE IN MEDICINE AND SURGERY IN THE ENGLISH LANGUAGE CALLED MEDTEC SCHOOL FOR THE ACADEMIC YEAR 2023-2024 (Class LM-41)

### **FOREWORD**

Based on the belief that deserving and motivated students should be supported in pursuing their academic and professional aspirations, Humanitas University has decided to fund two (2) scholarships reserved for Non-EU citizens who wish to enroll in the first year of the Single Cycle Degree Course in Medicine and Surgery in English called MEDTEC School in the academic year 2023-24 (class LM-41).

### **Art. 1. Categories and Value of Scholarships**

The two (2) available scholarships are divided into:

- Two (2) **partial** scholarships.

The value of the two (2) scholarships is determined by:

- Two (2) **partial** scholarships valued at **€ 16,000.00** each

Scholarships will be awarded for each academic year until graduation, according to the criteria established in Art. 4 of this Regulation.

As established in Art. 5, Humanitas University will undertake fiscal burdens in terms of taxation for each scholarship - provided for by the regulations in force.

The academic costs for Non-EU students enrolled in the Degree Course in Medicine and Surgery – called MEDTEC School – of Humanitas University are found in **Table 1**.

Tuition fees for the MEDTEC School Non-EU Students of Humanitas University:

**Table 1**

Tuition Fees for Non-EU students	<b>20,156 €</b>
----------------------------------	-----------------

The value of the scholarship and the academic costs to be paid are thus defined (Table 2):

**Table 2**

Tuition Fees	<b>20,156 €</b>
Partial Scholarship	<b>16,000 €</b>
Annual Academic Costs <i>Not covered by scholarship</i>	<b>4,156 €</b>

## Art. 2 Requirements, Methods of Participation and Award Criteria

### General Requirements

Candidates who:

- are ranked within the **first 10 positions** in the Non-EU Entrance Exam Ranking List.

Scholarships are reserved for NON-EU citizens.

### How to participate

**The first 10 ranked in the Non-EU Entrance Exam Ranking List** must send the following documents to [info@hunimed.eu](mailto:info@hunimed.eu), indicating in the subject "**Humanitas University Non-EU Scholarship**" by May 15<sup>th</sup> 2023:

- Motivation Letter and *curriculum vitae* in English

All candidates who have not sent this documentation by the above deadline will not be able to compete for any of the scholarships.

### Award criteria

The scholarships will be assigned according to the following criteria: score of the Entrance Exam and outcome of the motivational interview.

For each parameter, a score will be determined according to the following criteria (Table 3):

**Table 3**

Parameter	Score Calculation Criteria
Entrance Exam result	Exam score
Outcome of the motivational interview	From 0 to 500 points

**The total score achieved by the candidate will be calculated by the sum of the scores relative to the parameters listed above, determined according to the established criteria.**

**The maximum achievable score is 1500 points.**

**In case of equal scores, the highest position in the ranking list is assigned to the candidate who obtains a better exam score.**

Eligible candidates will be invited to interview with the Commission. The goal of the interview is to determine the motivation and aptitudes for each student towards their studies. Candidates may carry out their interview in person at Humanitas University (Via Rita Levi Montalcini 4, Pieve Emanuele, Milano – Italia), or through videoconferencing.

The date of the interview will be communicated to the candidates immediately following the publication of the Ranking List of the Entrance Exam.

## Enrollment

The **eligible candidates** will automatically be considered **pre-enrolled** until the Scholarship Winners are announced. During this time, the eligible candidates will not be required to complete the payment of the First Tuition Installment.

Following the **Announcement of Scholarship Winners**, all eligible candidates that were held as **pre-enrolled** will then be able to **complete their enrollment** no later than the deadline indicated via email from [info@hunimed.eu](mailto:info@hunimed.eu). The amount of the first tuition installment, which varies according to the contents of Tables 1 and 2, will also be indicated within the same email.

### **Art. 3. The Special Scholarship Commission for the Allocation of Humanitas University Scholarships**

To ensure the impartiality of the procedure for assigning Humanitas University scholarships, Humanitas University will appoint a special scholarship Commission composed of the President of the Degree Course in Medicine and Surgery called MEDTEC School (who will also be the Commission President), by a member of the Faculty, and a member of the University's administrative staff.

### **Art. 4. Requirements for Renewal of Scholarships**

Scholarship winners of the Academic Year 2023-2024 are entitled to the renewal of the scholarship in the following years of the degree course up until graduation, if, at the end of each year, they meet the following requirements:

- Achieved and maintained a weighted grade average equal to or greater than 27/30;
- Achieved a minimum annual number of University Credits as specified in the following table (Table 4):

**Table 4**

<b>DEGREE COURSE IN MEDICINE AND SURGERY – MEDTEC SCHOOL</b>	<b>CREDITS REQUIRED</b>
1 <sup>st</sup> Year	According to the procedure specified above
2 <sup>nd</sup> Year	52, to be achieved by the end of the first year
3 <sup>rd</sup> Year	107, to be achieved by the end of the second year
4 <sup>th</sup> Year	159, to be achieved by the end of the third year
5 <sup>th</sup> Year	222, to be achieved by the end of the fourth year
6 <sup>th</sup> Year	284, to be achieved by the end of the fifth year

- Scholarship winners must obtain the required credits by the end of the exam session in September (last exam session of the academic year);
- If, in September of each year, the scholarship winners do not reach the University Credits specified in Table 5 or do not maintain a weighted grade average equal to or greater than 27/30, the student will lose the scholarship award and will have to pay the academic tuition fees regularly required in accordance with the Fees Regulation;

- Scholarship winners must obtain the Degree in Medicine and Surgery in 6 years of study. However, an additional 6-month period, for the sole purpose of obtaining the degree, is granted. After this period, the student will have to pay the academic tuition fees regularly required in accordance with the Fees Regulation;
- Scholarships may not be combined with other scholarships. If more than a scholarship is assigned to the student, the student is required to choose only one of the allocated benefits;
- If students who are scholarship winners decide to withdraw from the degree course within the beginning of the first exam session (January 2024), Humanitas University will assign the available scholarships to the enrolled students who, ranked in the positions immediately following the withdrawn students;
- If any scholarship awards are lost due to the lack of the merit requirements for renewal at the end of the first year, Humanitas University reserves the chance to provide for a new allocation on the basis of criteria and procedures that will be shared through a specific official communication.

#### **Art. 5 Tax implications of the scholarship**

In order to **ensure a net amount exemption** equal to what is specified in art. 1 of these Regulations, Humanitas University undertakes fiscal burdens in terms of taxation for each scholarship - provided for by the regulations in force. Please, note that scholarships are assimilated to employees' earnings pursuant to art. 50 of the DPR n. 917/86. Therefore, the beneficiary students will receive a relevant receipt and will have to autonomously manage the obligations and tax implications which derive from receiving these amounts.
