

Annual Call for "ERASMUS for study" mobility grants reserved for Medical School students of Humanitas University

THE ERASMUS + PROGRAMME

Erasmus+ is the EU's programme to support education, training, youth and sport in Europe.

Studying abroad is a central part of Erasmus+ and has been shown to have a positive effect on later job prospects. It is also a chance to improve language skills, gain self-confidence and independence and immerse yourself in a new culture.

Within the Erasmus+ programme, Humanitas University selects the key action 1 dedicated to transnational student mobility.

An info session is scheduled for **January 11th** at **12:30- 13:30, room 5** at the Campus.

For more information on the call, contact the Erasmus office (erasmus@hunimed.eu).

Object of the call

A selective procedure based on qualifications and interview is launched for the assignment of 1 mobility grant from ERASMUS + funds (KA131-2022), aimed at supporting the development of training activities abroad for students regularly enrolled in the fourth year of the Degree Course in Medicine and Surgery.

1. The selected students will **attend their 5th year of study** in Spain at the Universitat Internacional de Catalunya (UIC, <https://www.uic.es>) with which the University has entered a Bilateral Agreement as part of the Erasmus + program. The mobility **will last 10 months** and will be carried out approximately between **September 2023 and September 2024**. In case Humanitas University will activate other exchange agreements, the ranking list will be valid for any new vacancies.

2. Students participating in the program will carry out the activities and objectives listed in the Learning Agreement for study, which will be defined together with the Course Coordinator/OME at HU and the Erasmus Office of the host Institute.

Completed exams and associated ECTS/CFU will be recognized upon return from mobility, based on the Transcript of Records provided to the student by the host institution.

3. In addition, student will be able to take optional (elective) courses available at the host University, which will be considered within the extracurricular activities included in the student's curriculum. These activities will be listed in the Learning

Agreement and will be recorded, if successfully completed, in the Diploma Supplement.

4. Erasmus + mobility students are given the opportunity to carry out part of the “tirocinio pratico-valutativo abilitante ai fini dell’Esame di Stato” (TA) at the host institution (with the exception of the internship at the General Practitioner, which must be carried out in Italy). This option is subject to the availability of the medical and surgical departments at the host University. In case the student will not be able to carry out the TA during the Erasmus mobility, the student must complete it upon returning to Italy (during the summer or during the 6th year).

5. Abroad fulfillment of the study program allows the student to achieve a number of credits corresponding to those that he/she would achieve at HU (about 60 ECTS / CFU for the entire academic year) The Erasmus student must achieve at least 70% of the credits indicated in the final version of the approved Learning Agreement. At the end of the mobility, the student is required to update his/her Transcript of Records, starting the recognition procedures for all credits acquired abroad. Further information on how to draw up a Learning Agreement and credit recognition procedures will be provided during the selection procedures

6. Courses and exams in below not are available at the host university, students are required to complete them in their sixth year, further details will be agreed with the relevant office.

- Biostatistics (1CFU), part of Patient Management
- Communication Skills (1 CFU)
- Neuropharmacology (3CFU)

6. Erasmus grants are intended only as a contribution to additional mobility costs, such as travel expenses and a higher cost of living in the host country, are not intended to cover the full cost of studying abroad. The monthly amount of the EU contribution is determined by the National Erasmus Agency, and for the academic year 2022/2023 it will be calculated, depending on the cost of living of the destination country. However, the actual payment of the grants will be subject to the availability of funds from the European Commission.
