

## **NOME DELLA LISTA / LIST NAME:**

Next Generation HU

## **PROGRAMMA ELETTORALE / ELECTION PROGRAM:**

Our aim will be:

- To facilitate transition back to Humanitas/campus life during-covid-19 emergency
- To integrate online platforms for learning (such as: osmosis, kenhub, in simu patient and so on)
- To promote a more cohesive student body by integrating all the student voices and traditions
- To encourage the formation of clubs and societies in every possible field, as well as tournaments in Humanitas University
- To reach our university easily by potentiating the public transport options, the shuttle bus, car sharing offers and parking opportunities
- To increase the transparency and communication between the university, the representatives and the students by opening the student council meetings to everyone
- To match the syllabus to the actual teachings of the course and its final exam
- To implement an eco-friendly campus
- To give the opportunity to learn about post-graduate career paths (specialty schools, PhD, foreign programs and so on)
- To potentiate mental well-being programs
- To increase study spaces on campus
