SELECTION PROCEDURE FOR A RESEARCH FELLOWSHIP IN COMPLIANCE WITH ART. 22 OF LAW 240/2010

Humanitas University invites applications for 1 position as Research Fellow in Life Sciences.

Research Program Title	THE TELIOT PROJECT: TELemedicine for Improving adherence with anti-Osteoporotic Therapies
Tutor	Prof. Gherardo MAZZIOTTI
Scientific Area	06 - Medical Sciences
Gross amount of the fellowship	30.000 Euro
Duration of the fellowship	12 months
Objectives of the research	'The project aims at assessing the impact of telemedicine and enhanced telemedicine on the adherence to medications in osteoporotic patients, and, ultimately on their health status. The project intends to integrate four main sources of diverse data sets: hard clinical data, patient self-reported data, clinicians' perceptions of telemedicine, and administrative data. To reach the objectives, the project combines two research studies: 1. a retrospective study on 80 osteoporotic patients that during the Covid-19 emergency have been switched from face-to-face consultations to telemedicine-based consultations. 2. a randomized prospective study comparing 210 naïve osteoporotic patients (residents of the Lombardy region) involved in either face-to-face consultations (70), telemedicine-based consultations (70) or enhanced telemedicine-based consultations (i.e. provided with an App to contact clinicians for a consultation outside of set appointments; 70). The project will be carried out in partnership with Bocconi University and Politecnico University of Milan.
Activities to be carried out	<ul style="list-style-type: none">• Patient enrolment;• Questionnaire administration;• Carrying out the telemedicine consultations;• Management of data;• Analysis of data.
Work place	PIEVE EMANUELE - Milan

<p>Mandatory requirements</p>	<p>“Laurea Magistrale” awarded in accordance with D.M. 270/2004 In Medicine or an equivalent university qualification awarded by a foreign university (usually referred to as a Master’s Degree).</p> <p>Medical Specialization in Endocrinology and Metabolic Diseases.</p> <p>Those who at the date of submission of the application are pending the issuance of the title of Medical Specialization required to participate at the selection may take part at the selection, provided that they have already completed the training planned by the systems of the School.
