Teacher bio

Alessia Tanara, Degree in Foreign Languages and Literatures, with Ditals Certification, teaches Italian as a foreign and second language in Milan to students of all levels and ages, including university students, expats and educational migrants.

Committed to promote engaging and stimulating learning by starting from the lived experience of the students and helping each different person to achieve and operate through the new language.

LANGUAGE	Italian
Level 1	Recommended A1- and above (Beginner-Elementary)
COURSE DESCRIPTION	The course is designed to help participants enhance their production and understanding of elementary Italian, focussing on grammar structures useful for the workplace. The course will focus on verbs (present, past, imperative tenses), pronouns and other structures upon request of the students. Frequently used expressions in immediate environment and routine tasks will be explained and practiced for supporting participants to communicate in medical work.
ASSESSMENT	End of course assessment with open badge system (optional)
