

RULES AND REGULATIONS OF NON-EU SCHOLARSHIPS FOR THE 2021-2022 ACADEMIC YEAR

REGULATION FOR THE AWARD OF FOUR (4) SCHOLARSHIPS FUNDED BY HUMANITAS UNIVERSITY. SCHOLARSHIPS ARE RESERVED FOR NON-EUROPEAN CITIZENS WHO APPLY FOR THE FIRST YEAR OF THE SINGLE CYCLE DEGREE COURSE IN MEDICINE AND SURGERY IN THE ENGLISH LANGUAGE FOR THE ACADEMIC YEAR 2021-2022 (Class LM-41)

FOREWORD

Based on the belief that deserving and motivated students should be supported in pursuing their academic and professional aspirations, Humanitas University has decided to fund four (4) scholarships reserved for Non-EU citizens who wish to enroll in the first year of the Single Cycle Degree Course in Medicine and Surgery in English in the academic year 2021-22 (class LM-41).

Art. 1. Categories and Value of Scholarships

The four (4) available scholarships are divided into:

- Four (4) **partial** scholarships.

The value of the four (4) scholarships is determined by:

- Four (4) **partial** scholarships valued at **€ 16,000.00** each

Scholarships will be awarded for each academic year until graduation, according to the criteria established in Art. 4 of this Regulation.

The academic costs for Non-EU students enrolled in the Degree Course in Medicine and Surgery of Humanitas University are found in **Table 1**.

Art. 2. Requirements, Methods of Participation and Award Criteria

General Requirements

Candidates who:

- are ranked within the first 10 positions in the Non-EU Entrance Exam Ranking List.

Scholarships are reserved for NON-EU citizens.

How to participate

The first 10 ranked in the Non-EU Entrance Exam Ranking List must send the following documents to info@hunimed.eu, indicating in the subject "**Humanitas University Non-EU Scholarship**" by February 28th, 2021:

- Motivation Letter and *curriculum vitae* in English

All candidates who have not sent this documentation by the above deadline will not be able to compete for any of the scholarships.

Award criteria

The scholarships will be assigned according to the following criteria: score of the Entrance Exam and outcome of the motivational interview.

For each parameter, a score will be determined according to the following criteria (Table 3):

Table 3

Parameter	Score Calculation Criteria
Entrance Exam result	Exam score
Outcome of the motivational interview	From 0 to 120 points

The total score achieved by the candidate will be calculated by the sum of the scores relative to the parameters listed above, determined according to the established criteria.

The maximum achievable score is 300 points.

In case of equal scores, the highest position in the ranking list is assigned to the candidate who obtains a better exam score.

Eligible candidates will be invited to interview with the Commission. The goal of the interview is to determine the motivation and aptitudes for each student towards their studies. Candidates may carry out their interview in person at Humanitas University (Via Rita Levi Montalcini 4, Pieve Emanuele, Milano – Italia), or through videoconferencing.

The date of the interview will be communicated to the candidates immediately following the publication of the Ranking List of the Entrance Exam or, if established in advance, on Humanitas University's website (www.hunimed.eu).

Enrollment

The **eligible candidates** will automatically be considered **pre-enrolled** until the Scholarship Winners are announced. During this time, the eligible candidates will not be required to complete the payment of the First Tuition Installment.

Following the **Announcement of Scholarship Winners**, all eligible candidates that were held as **pre-enrolled** will then be able to **complete their enrollment** no later than the deadline indicated via email from info@hunimed.eu. The amount of the first tuition installment, which varies according to the contents of Tables 1 and 2, will also be indicated within the same email.

Art. 3. The Special Scholarship Commission for the Allocation of Humanitas University Scholarships

To ensure the impartiality of the procedure for assigning Humanitas University scholarships, Humanitas University will appoint a special scholarship Commission composed of the President of the Degree Course in Medicine and Surgery (who will also be the Commission President), by a member of the faculty, and a member of the University's administrative staff.

Art. 4 Requirements for Renewal of Scholarships

Scholarship winners of the Academic Year 2021-2022 are entitled to the renewal of the scholarship in the following years of the degree course up until graduation, if, at the end of each year, they meet the following requirements:

- Achieved and maintained a weighted grade average equal to or greater than 27/30;
- Achieved a minimum annual number of University Credits as specified in the following table (Table 4):

Table 4
